

# Park County, Colorado Marriage Records 1881-1950

Donated by: Lucille Brown

August 2, 2001

These marriage records were extracted from the original marriage books at the Park County, Colorado Clerks Office by Lucille Brown during June and July 2001. The names are spelled as they appear in the marriage books.

Some of the original handwriting is very difficult to interpret. Every effort has been made to present the best possible spelling of each name. A copy of an individual marriage record may be purchased from the Park County Clerks Office.

*(Book A - September 1881 to July 1894 Book 1 - July 1894 to June 1919 Book 2 - July 1918 to Aug 1950)*
